Wildlife trade in South East Asia

South East Asia is an **important region** for biodiversity

The region is the **GLOBAL** supermarket of **illegal wildlife products**

Illegal wildlife trade is one of the **GREATEST THREATS TO THE FUTURE OF WILDLIFE**

Most of the **animals found in this region** are more **THREATENED** here than anywhere else in the world, largely as a result of overharvesting for trade

The region has among the **WORLD'S FASTEST RECENT HABITAT LOSS RATES**

This region has the most species **listed as Critically Endangered** by the **IUCN Red List of Threatened Species**

Together we can wipe out illegal wildlife trade within our generation. **Spread the word** and **help raise awareness**. Find out more at
