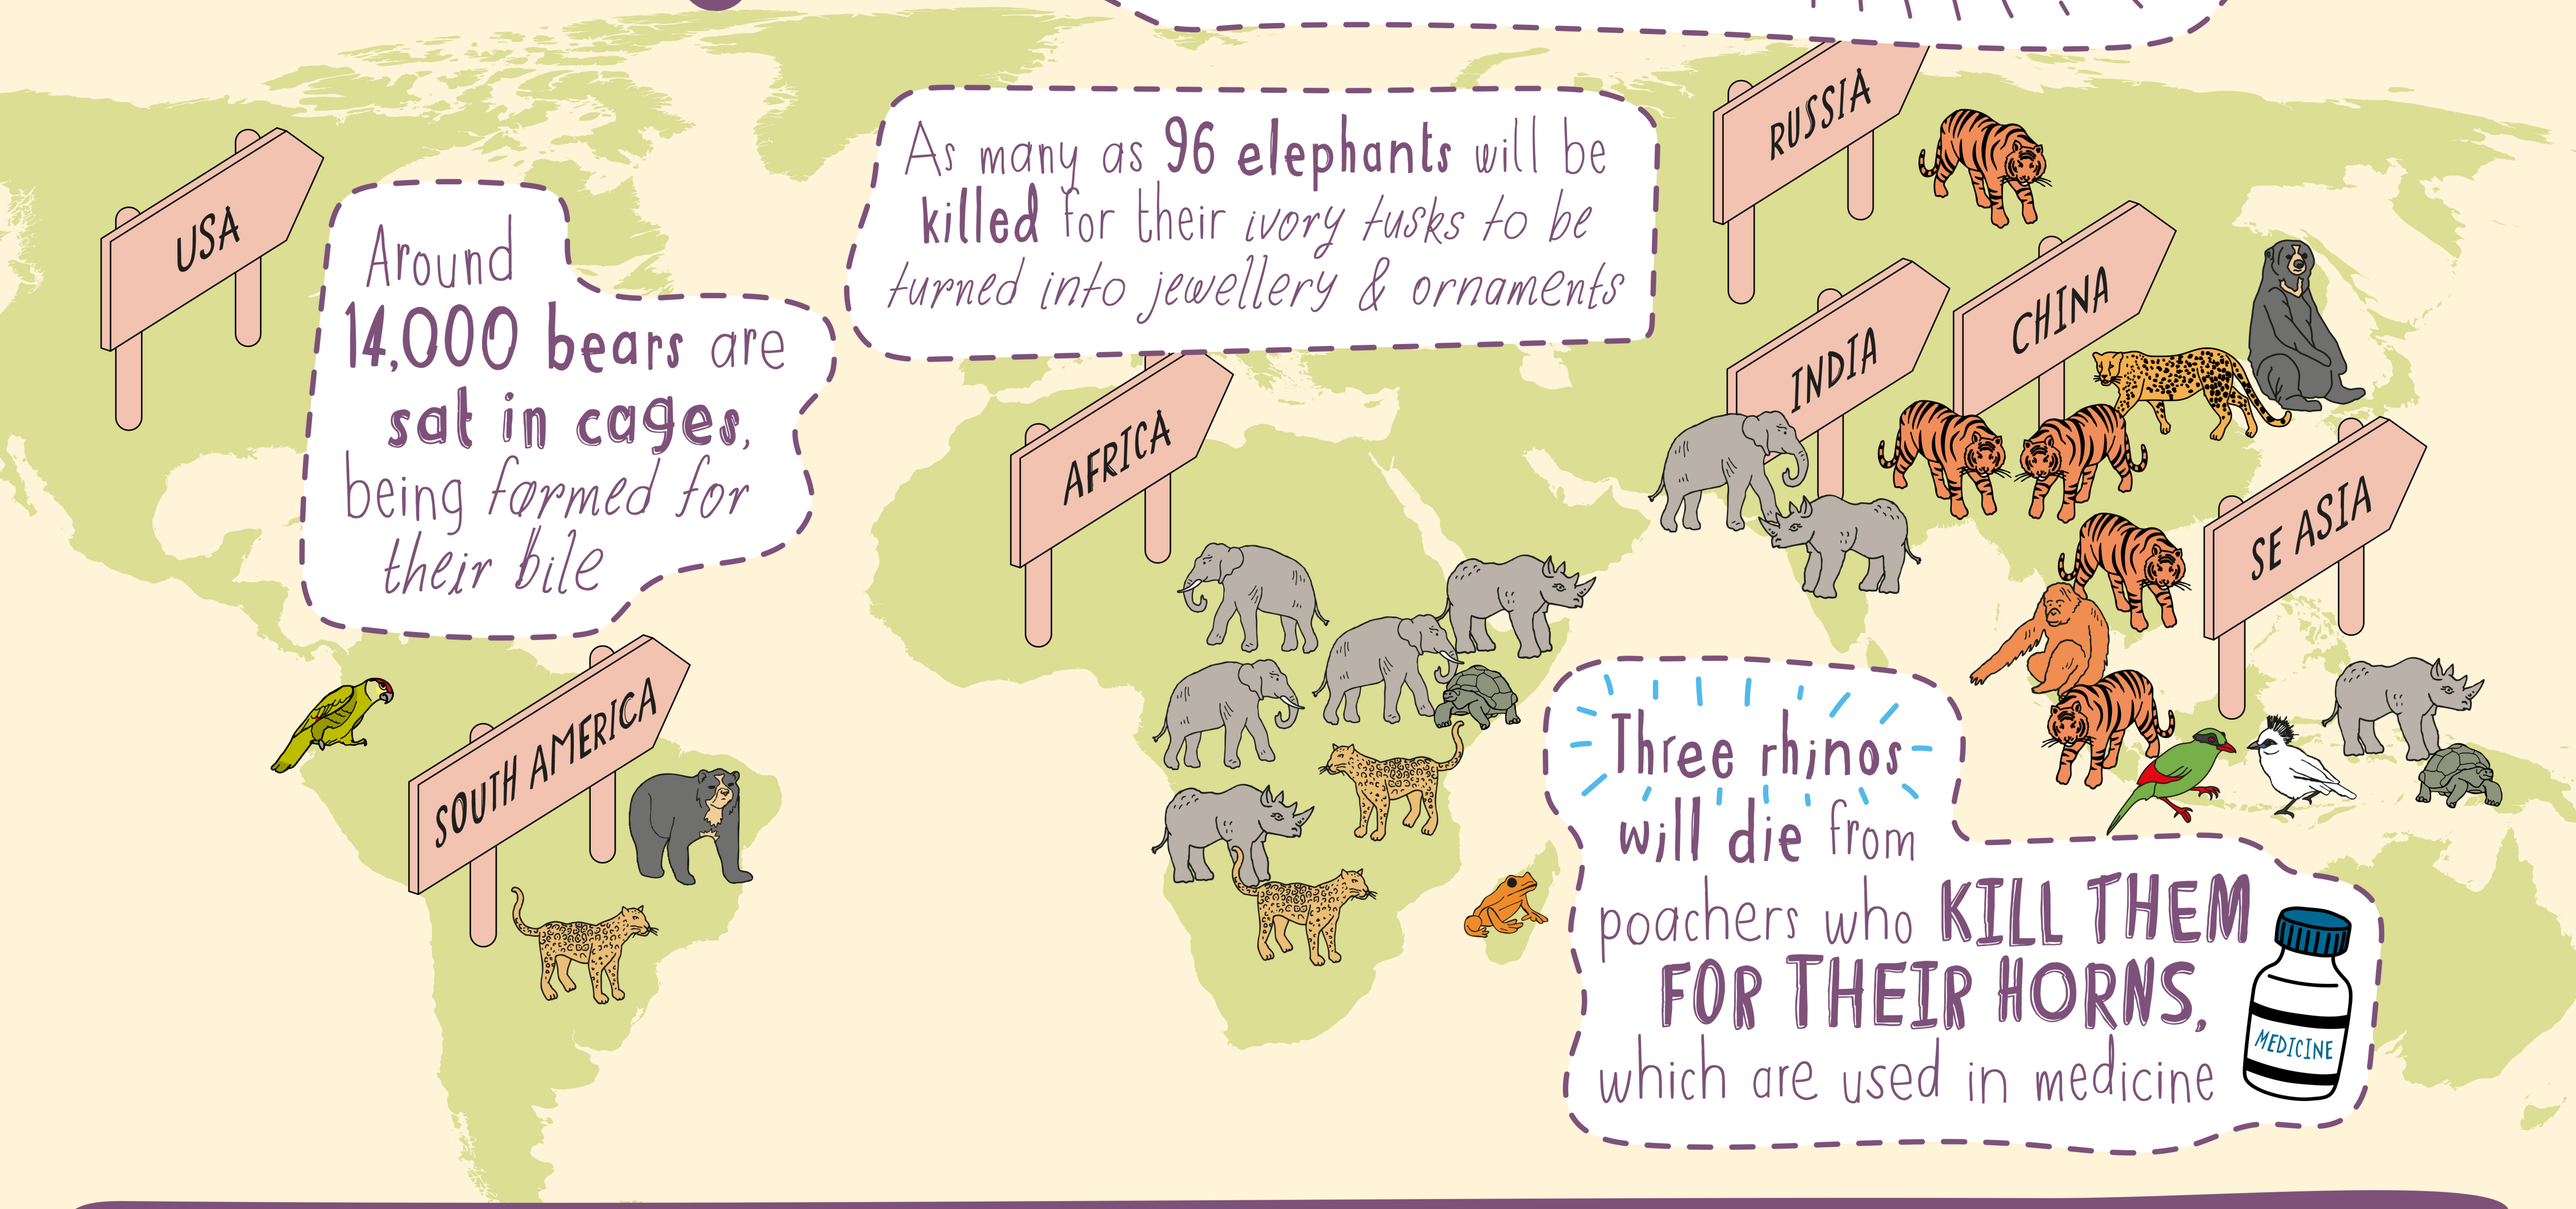
The illegal wildlife trade today

There are **only 3,200 tigers left in the wild** – this number is *shrinking* as they are killed illegally for their **body parts** as they're believed to have **medicinal powers**



As many as **96 elephants** will be **killed** for their *ivory tusks to be turned into jewellery & ornaments*

Around **14,000 bears** are **sat in cages**, being *farmed for their bile*

Three rhinos will die from poachers who **KILL THEM FOR THEIR HORNS**, which are used in medicine

Together we can wipe out illegal wildlife trade within our generation. **Spread the word** and **help raise awareness**. Find out more at
