

# PLAYFUL ADVENTURES at CHESTER ZOO

Social distancing means that some of the usual places to play are closed to visitors for now, but there are lots of ways to make your visit more PLAYFUL.

## Walk like a...

Why walk like a human when you could waddle like a penguin? What other animals could you copy as you walk **hop, skip and jump** around the zoo?

**LOOK OUT** for our skipping lane and other play paths around the zoo!

Just take care to stay 2 metres away from other visitors and staff as you move around (remember 2 metres is more giant than a giant otter)

## ANIMAL IMPRESSIONS

Copy your favourite animals and see if your family can guess who you are?

**TOP TIP:** watch the animals closely when you see them to make your impressions as accurate as possible!

## Eye spy with my little eye

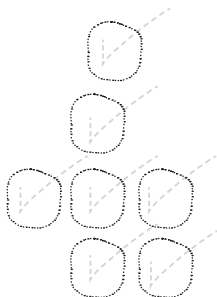

How many of these can you spot on your journey around the zoo?

An animal with a **TAIL**

Something beginning with '**G**'

Three different animals with **fur**

Two different shapes of **beak**

## WHAT IF...

Get your imagination running wild with some 'WHAT IF' questions. Here are some of our favourites:

*WHAT IF* elephants didn't have bones?

*WHAT IF* animals could talk to you - what would they say?

## WHO AM I?

Can you solve these animal clues?

I have a great **BIG TRUNK** and a **BIG BODY**

I am the **TALLEST** animal in the zoo

I have black and white **stripes** and I come from Africa

Why not make up some of your own clues to test your family

## Family debate

blah blah  
blah

Animals have some **AMAZING** abilities. Which ability or animal feature would you most like to have?

Would you rather be **strong** like a jaguar or fast like a cheetah?

Would you rather be **TALL** like a giraffe or **fly** like an owl?
