PATRON ZOO

BECOME A
PATRON CHESTER
ZOO

Chester Zoo is a powerhouse for conservation, dedicated to working together to play a significant role in tackling the global biodiversity crisis.

By joining our family of supporters, Patrons can learn from our extraordinary team of conservationists about the work that we do in Chester and around the world. With unique opportunities throughout the year, Patrons receive an unparalleled experience – all whilst supporting our mission of preventing extinction.

WHY BECOME A PATRON?

As a patron, you will get closer to our work and get an insight into projects being worked on by our conservationists here in Chester and around the world. Your family will also get unlimited access to the zoo throughout the year.

There are three levels of patronage, offering a range of opportunities to get closer to our work.

EXPLORER from £1,200 per year or £100 per month

GUARDIAN from £5,000 per year

CONSERVATIONIST from £10,000 per year

As an **Explorer**, you will receive invites to a tailored programme of events throughout the year as well as exclusive monthly newsletters. You will be invited to meet with members of our keeping team to hear first-hand about the amazing work that goes on behind the scenes here in the zoo. Additionally, you will be recognised on our Thank You Board as well as in Our Zoo magazine.

As a **Guardian**, as well as the above benefits, you will receive an invitation to a series of events throughout the year and unique animal experiences alongside our keepers and conservation specialists.

As a **Conservationist**, you will also have the opportunity to tailor your support to a particular area of interest and receive regular updates on our work in this area, as well as an exclusive invite to a Director's Dinner. In addition, you will be invited to join a trip to witness our global field projects and see the impact of your support first hand.

For more information, please get in touch with us at fundraising@chesterzoo.org. We would love to chat to you about becoming a Patron at Chester Zoo.
