

HOW TO MAKE A WILDFLOWER WELLIE!

You'll need...

- An old wellie or shoe
- Soil/compost
- Wildflower Seeds
- Gloves

All you need to do is...

1. Fill your wellie nearly to the top with soil.
2. Take your seeds out of the packet and sprinkle them evenly onto the soil.
3. Sprinkle a bit more soil on top and water.
4. Put your wellie in a sunny spot and wait to see the wonderful wildflowers grow!
