HOW TO MAKE YOGHURT POT BIRD FEEDERS

You'll need...

- Lard / Olive spread
- Mixing bowl
- Empty yoghurt pots
- Seeds
- String
- Pin
- Knife
- Spoon

All you need to do is...

1. Use the knife to carefully cut the lard into dice-sized pieces and place in the mixing bowl
2. Stir the lard with the spoon, then add in the seeds
3. Mix it all together!
4. Use the pin to carefully make a small hole in the bottom of your yoghurt pot
5. Thread the string through the hole and tie a knot at one end
6. Squash the mixture into the pot
7. Tie the string around a branch in your garden and wait to see who visits!
