

LEARN AT CHESTER ZOO

Match up the African animal with their habitat and adaptations by colouring the boxes the same colour.

Rhino has been done for you as an example.

 <p>Rainforest</p>	 <p>Turtle</p>	Spots as camouflage
 <p>Rainforest</p>	 <p>Tortoise</p>	Thick skin to protect from sharp grass and thorns
 <p>Desert</p>	 <p>Rock python</p>	Digs burrows to hide from sun
 <p>Desert</p>	 <p>Elephant</p>	Rough scales to grip when slithering
 <p>Grassland</p>	 <p>Meerkat</p>	Shell to protect from predators and the sun
 <p>Grassland</p>	 <p>Leopard</p>	Long trunk to reach leaves on trees
 <p>Coastal</p>	 <p>Rhino</p>	Flippers to help swim
