

# HOW TO BUILD A BUG HOTEL

## You'll need...

- Cardboard tubes (big or small)
- Pine cones
- Twigs
- Dried leaves
- Gloves
- Shredded up paper or cardboard

## All you need to do is...

1. Fill each cardboard tube with a mixture of pine cones, twigs, dried leaves and other biodegradable materials you have to hand
2. Stack the tubes in a sheltered spot
3. Wait to see who visits!
