MAKE A COASTER FROM AN OLD CD

MAKE & TAKE
ACTIVITIES

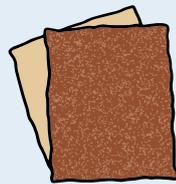

Brighten up your room with these **easy to make** coasters. They make a great present for Christmas or birthdays and you'll be *re-purposing* old fabric and CDs at the same time.

There are endless ways that you can **customise** them with your own choices of fabric.

Equipment List

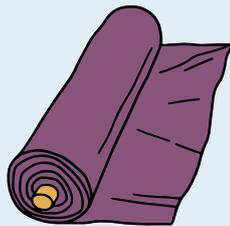

An old disk
(CD or DVD)

Sand paper

Scissors

Your favourite
fabric

Sealer glue
(Mod Podge is perfect)

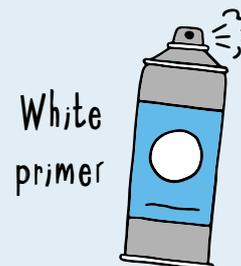

Felt

A glue gun

A brush

White
primer

MAKE A COASTER FROM AN OLD CD

MAKE & TAKE
ACTIVITIES

Step by step guide

- 1 Lightly sand off any design on your old disk.
- 2 Trace around your disc onto your chosen fabric and cut out.
- 3 Paint your CD with 2 coats of primer, allowing for drying time between coats.
- 4 Cut out 4 small circles of felt to use as feet for your coaster.
- 5 Using your glue gun, stick the felt feet to the underside of your disk.
- 6 Add a coat of sealer glue to the opposite side of your disk.
- 7 Press the fabric circle on to your disk, being sure to remove any wrinkles, and allow to dry.
- 8 Add two coats of sealer glue over the top of your fabric. Don't forget to allow for drying time between coats.
- 9 Enjoy your coasters!
