CHESTER ZOO

the **CHALLENGE**

SUSTAINABLE PALM OIL CHALLENGE

Sourcing ALTERNATIVE VEGETABLE OILS would send the problem *elsewhere* and could have more *serious environmental* impacts due to **MORE LAND BEING REQUIRED**.

BUYING only products that contain certified sustainable palm oil (CSPO) is an **important step** in helping to protect animals like **orangutans** and others that share its *rainforest habitat*.

Join Chester Zoo's **#PalmOilChallenge** - find out more and how you can get involved, here: **CHESTERZOO.ORG./PALMOIL**
