THE OAKFIELD

Built in 1885, Oakfield House was once a private home at the heart of the estate. In 1931, it became part of Chester Zoo, founded by George Mottershead. Today, it remains a beloved landmark - now home to The Oakfield, a pub celebrating good food, history, and heritage.

We take pride in our kitchen garden, where we grow a variety of fresh herbs, vegetables, and fruits that inspire our menu. Whenever possible, we use these homegrown ingredients in our dishes, adding a fresh, seasonal touch to everything we serve. The garden not only supports our commitment to sustainability but also allows us to craft unique seasonal specials that reflect the best flavours of each time of year.
