

# LEARN AT CHESTERZOO

## EDUCATORS GUIDE - WHAT IS LOVE IT FOR LONGER?

Description & suggested order	Title	Curriculum Link	Resource link
<p>To introduce your students to the programme we suggest you start with our short video. This provides some fantastic examples of how the zoo is working for a sustainable future.</p> <p>Just before you start the video you might want to discuss the meaning of the word sustainable.</p>	<b>Introducing Love it for Longer, How can we be sustainable?</b>	Listening skills	Coming soon!
Your pupils can have a look at how waste can be sorted and separated before learning what can be done with it.	<b>Reduce, reuse and recycle</b>	Citizenship – Looking after our environment	<a href="https://schools.resources/reduce-reuse-recycle/">schools/resources/reduce-reuse-recycle/</a>
Pupils can use their literacy skills to retrieve information and be inspired to learn more in our comprehension task 'Protecting the Environment'	<b>Protecting the Environment</b>	Literacy – Comprehension	<a href="https://schools.resources/protecting-the-environment-comprehension-task/">schools/resources/protecting-the-environment-comprehension-task/</a>
This resource is perfect if you are planning a zoo visit with your class to see our 2021, "Love it for Longer" exhibit, but don't worry if you can't, this resource will support the pupils' work on KS 2 coordinates.	<b>Get Coordinated</b>	Mathematics – Coordinates Geography – Map reading	<a href="https://cdn.chesterzoo.org/sites/5/2021/08/LIFL-Get-Coordinated.pdf">https://cdn.chesterzoo.org/sites/5/2021/08/LIFL-Get-Coordinated.pdf</a>
Closing the circle to become more sustainable can be a real challenge. A good place to start is to gather information and to take stock of the waste your class is currently producing. You might be surprised with what you discover!	<b>How much do we throw away?</b>	Mathematics – Gathering data Science – Classifying materials and their properties	<a href="https://schools.resources/how-much-do-we-throw-away/">schools/resources/how-much-do-we-throw-away/</a>
